- 1) I paid **150MX** for a direct minibus
- 2) It might be cheaper to take ADO bus to city centre (*don't know how much, something like 60-70-80MX*) and then **12MX** for R1 or R2 to the Hotel Zone

We are not directly in the hotel zone.

We are 1km before the main hub.

**Esta Pok ta pok 7,  
Casa 1**

It's in between two shops, you'll see on the map below.

Night 5 / 6th stay in Cancun.

Then my flatmate will take us to Tulum - he rented a car so that will save us some money.

AirBnb stay - I'll got you covered.
